

Mahatma Gandhi

By Jaiden Galea

Mahatma was born in
October 2, 1869 in
Porbandar, India.

He start worker as a lawyer.Indian people were not treated equally by British government.

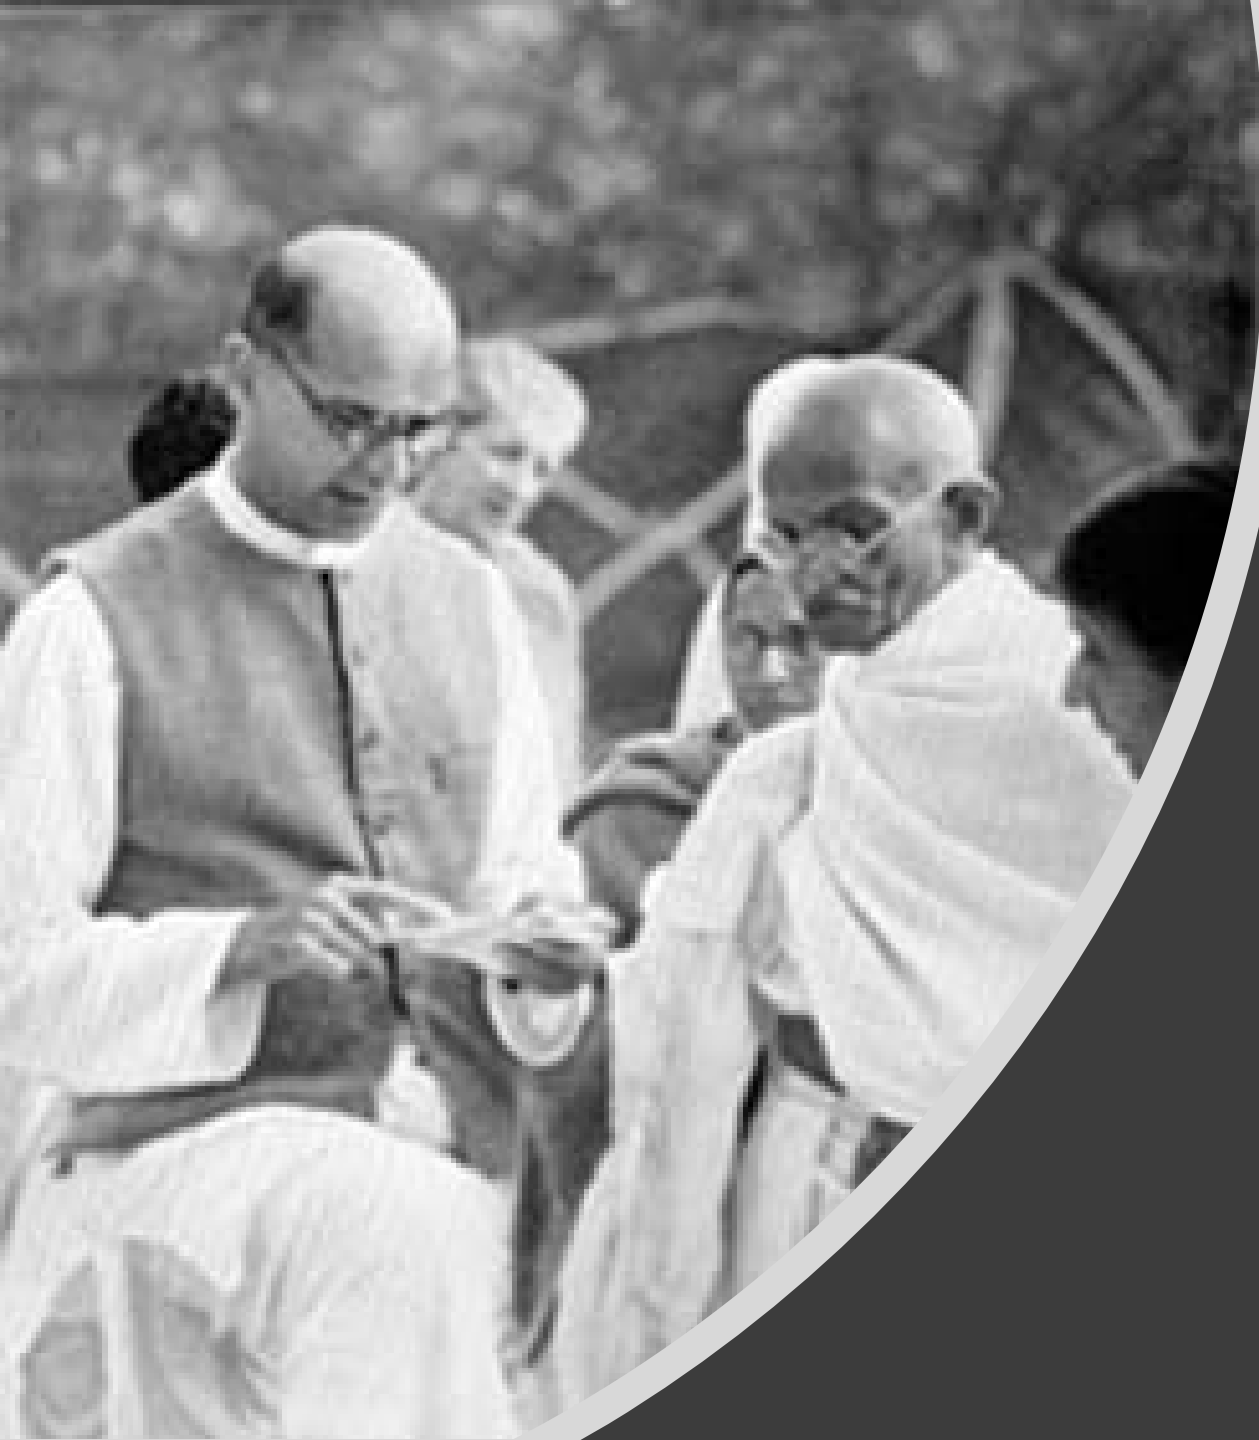

Gandhi started
no violent
protests.

The British government put Gandhi in prison to silence him, but he fought back fasting. (not eating)

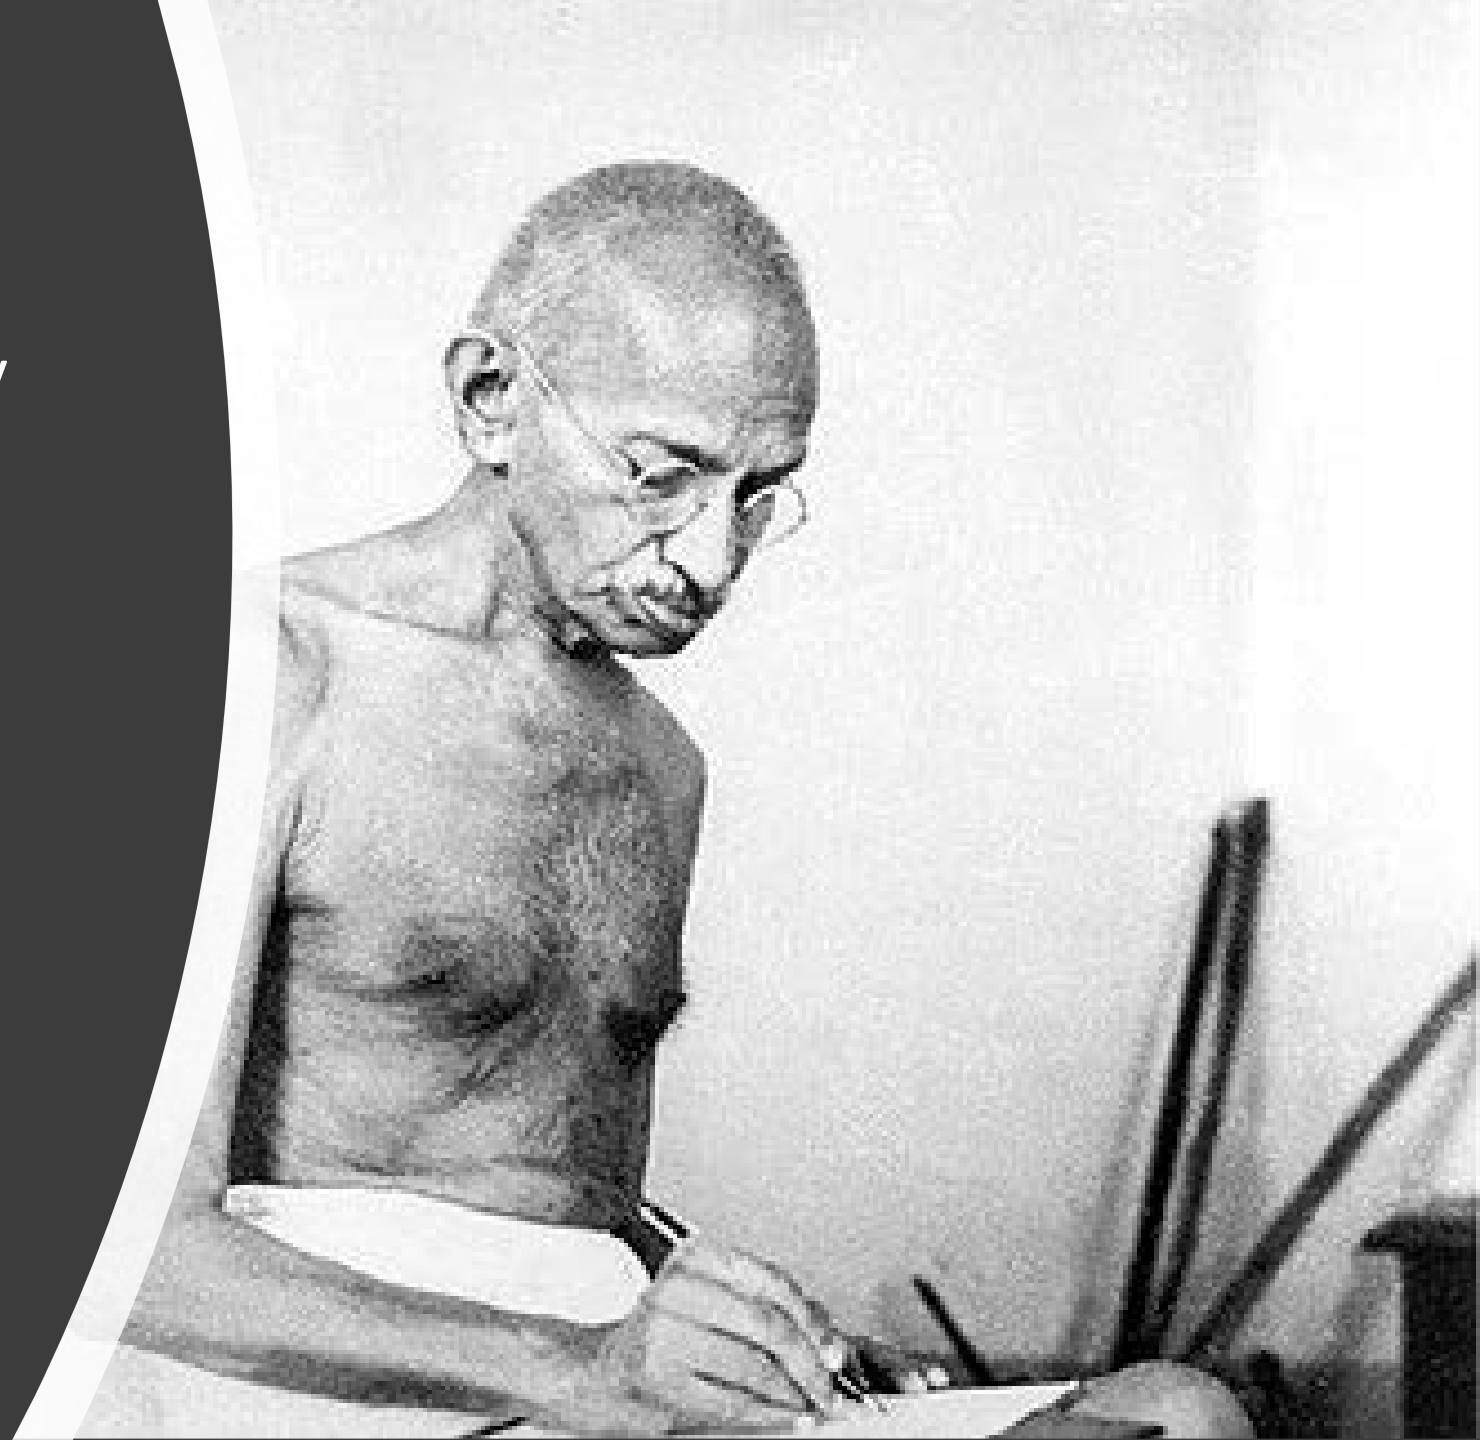

British government
start salt tax
charging extra
money for salt

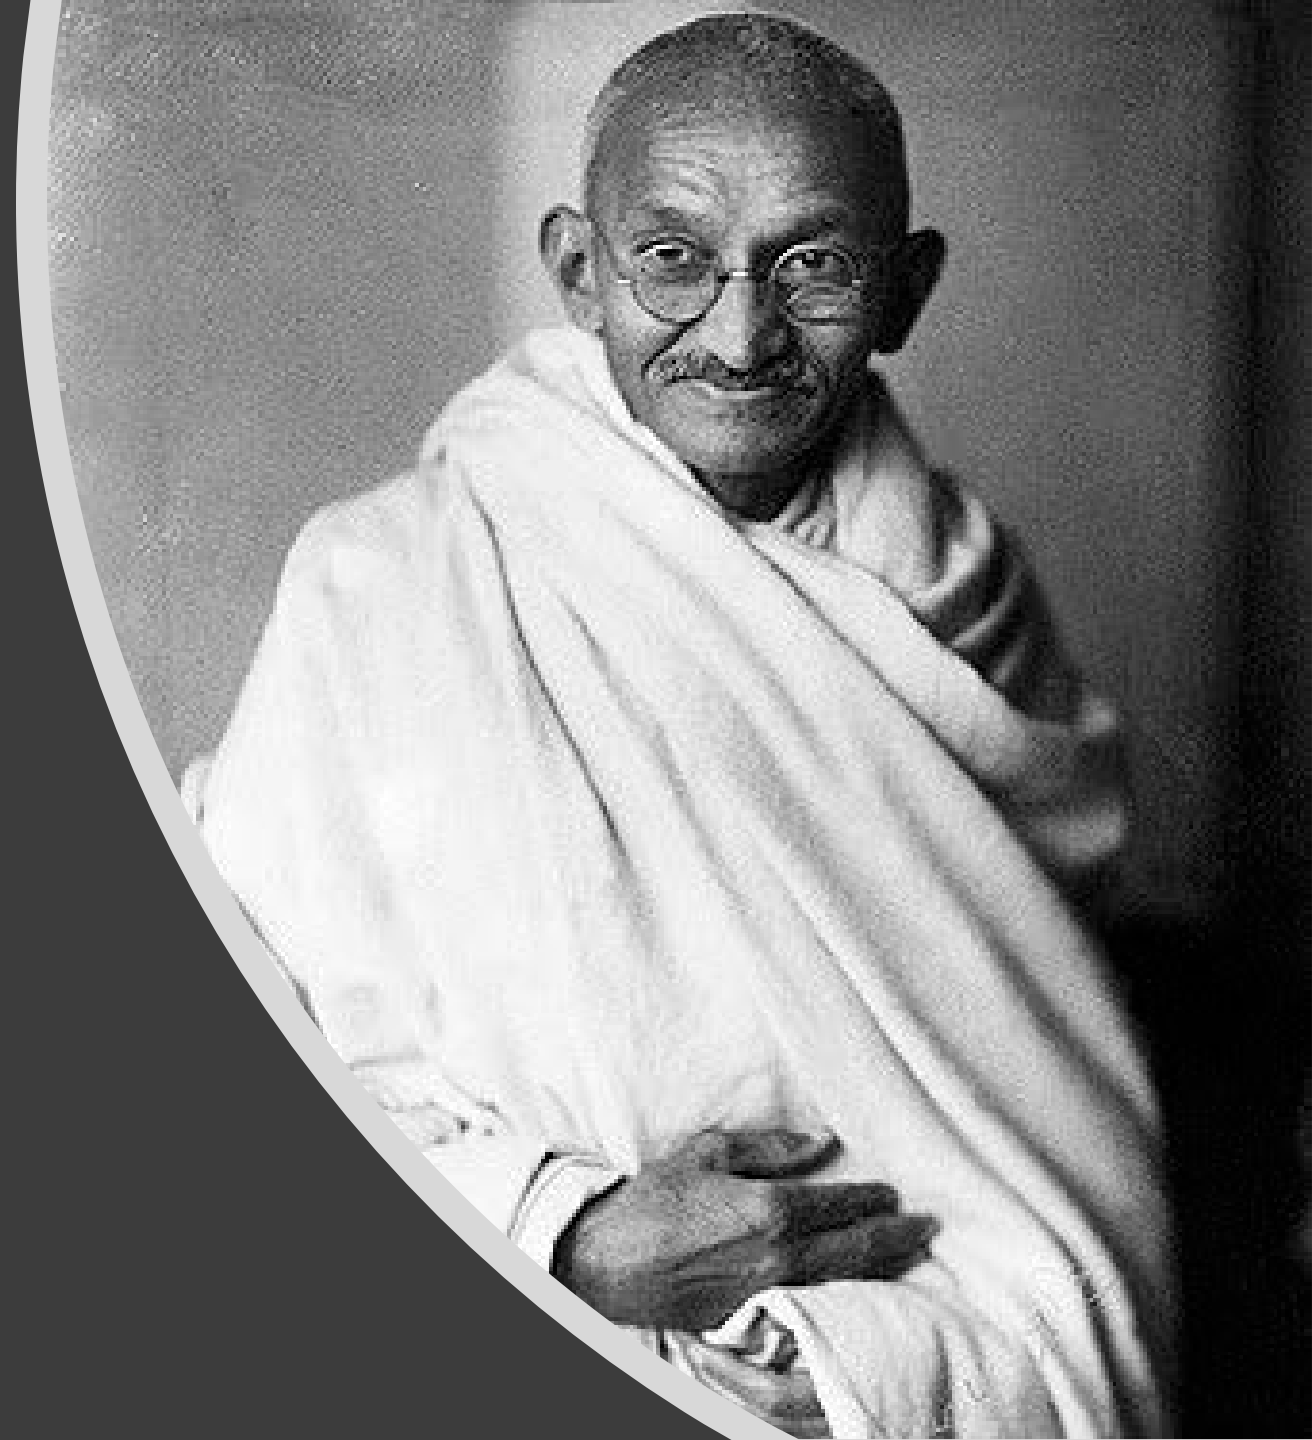

He travel to find salt.Salt March in 1930. Others fought with Gandhi.

Gandhi died in January
30,1948 by a terrorist.

His life is still alive for what
he do for the Indian people.

The end . Thank you .
